SCHEDULE OF EVENTS

THURSDAY, OCTOBER 4
3:00PM   Registration begins in Brown Hall Room 141
6:30PM   Dinner at The Best Western University Inn, Rushton Room (Dutch--informal) address East Main St.

FRIDAY, OCTOBER 5
7:30AM   Continental Breakfast prepared by Geology Club - Brown Hall Room 141

Welcoming Remarks
8:00AM   Jeff Chiarenzelli '81, Sarah McElfresh '98, Laura Ellis -Advancement
8:40AM   Research, Career and Professional Talks
Scott J. Carpenter '86 - A Retrospective of Geochemical, Paleoenvironmental, and Paleoclimatological Collaborations with J. Mark Erickson
Sean Regan '10 - Current Ideas, Interpretations, and Problems Regarding the Snowbird Tectonic Zone, Western Churchill Province
Andrew R. Fetterman '94 - The Role of Conceptual Models for Environmental Site Investigations
Karin Olson Hoal '80 - Follow Your Heart(s)
Douglas E. O’Brien ’75 - …but sometimes you can use an old idea in an old area. The Story of How the Ninth Largest Field in the World was Discovered.
Charles Head ’79 - Geotechnical Challenges of Deep Foundation Construction in a Dense Urban Setting.

Coffee Break and Student Poster Session
Aaron Chesler ’13 and Alexander Stewart – Evidence of a valley glacier antedating the Llewellyn Glacier, Juneau Icefield, Canada: an analogue for the Adirondacks?
Peter Christoffersen ’13 – Particle size distributions obtained through unfolded 2D sections: towards accurate distributions of nebular solids in the Allende Meteorite
Peter Christoffersen ’13 - Geologic Map of Stone Valley, Colton, New York
Ashley Grey ’15 - Coral Bleaching and Anthropogenic Climate Change: Causations, Effects, and the Implications for Conservation
Juliet Hooten ’14 – Magnetic susceptibility profiles as a tool for correlation: a case study from the Upper Ordovician Red River Formation, North Dakota
William Knoble ‘25, et al. – Investigation of geologic relations in drill core from the Sylvia Lake syncline, Adirondack Lowlands

Roselyne Laboso ’14 – Loading of elements and anions to the St. Lawrence River from tributaries in St. Lawrence County, New York

Dale Chayes ’73 (Tentative title – News from the Arctic)

12:30PM ~~~~~ Lunch -- Pizza in Brown Hall Room 143  12:00 to 1:30 ~~~~~

Reconvene and Reintroduce procedures

Roy Christoffersen ’76 - Small is Big: A Career of Interconnections on the Nanoscale

Nicholas Garson ’89 - SLU & Beyond: Experiences That Helped My Geology Career

Kate Zubin-Stathopoulos ’08 - Paleontological Consulting: Professional Fossil “Hunting”

Brandt Temple ’94 - "Oil and Gas in the United States--Becoming Energy Independent"

Bonni Govoni ’13 – Field work I have done while a St. Lawrence geology student; a retrospective.

3:20PM Careers Panel -- Nick Garson, Moderator

STUDENTS and ALUMNI PANELISTS Only

Alumni Tour of the Campus if Desired or visit
Visit Student Posters in Brown Hall Room 143 or Prepare for Dinner, etc.

Dinner at the Dana Dining Hall Courtesy of University Advancement

7:30PM R.O. & Vera Bloomer Lecture (Public Welcome)
by Arthur Waterman ’73
(Hepburn Auditorium, 2nd Floor of Hepburn Hall)

9:00-10PM Social Hour with students at the Pub 56 arranged by the Sigma Gamma Epsilon (located between Hulett and Jencks)

</table>
SUNDAY, OCTOBER 7

8:00-9:30AM  Breakfast at Dana dining Hall (Dutch $6.00)
              [FYI: Brunch starts at 10:30AM and is $10.25]

Explore Canton - there is a new park on the river, among many other changes in town

Explore campus - there are many new buildings

Interview Students for potential jobs and internships

Thanks Very Much for Being Here!
Have a safe trip home see you at SLUGAC 9 in 2015!
